

Highland Pines Golf Club Course Information

Description

TOUR 18 Incorporated unveils its latest project, **Highland Pines Golf Club**. Highland Pines is nestled on the banks of the San Jacinto River. The golf course winds through the river basin, then travels up through tall pines and hard woods to stunning views of lakes, meadows and valleys. Highland Pines Golf Club will stretch more than 7,200 yards from the back tees and will have five sets of tees in all, each offering their own unique challenge. Highland Pines Golf Club introduces a first to the Houston golfing community. Highlands Pines will be the first semi-private golf club to feature zoysia grass fairways, roughs & greens. Previously, zoysia grass was only found at exclusive private facilities. Highland Pines is also the first public access golf club in the Houston area to open in more than a decade.

Directions

SH 99/Grand Parkway to the Highlands Drive exit. Travel south to Mirror Lake Circle, then turn right. Stay on Mirror Lake Circle through the round-a-bout where the road changes to Highland Pines Drive. Stay on Highland Pines Drive until you reach the clubhouse.
